About ISTFE 2026

India Surface Treatment & Finishing Expo (ISTFE) 2026 is India's premier B2B exhibition dedicated to the surface engineering, pre-treatment, coating, and finishing industries. Held from 05-07 August 2026 at Bharat Mandapam, this 3-day trade fair will bring together the entire value chain of surface treatment, finishing, painting, coating, and corrosion protection technologies — all under one roof.

Our Vision:

To create a world-class platform that fosters technological exchange, business growth, and sustainable innovations in the Indian surface finishing and coating industry.

Why ISTFE 2026?

- › Showcase your latest technology to a highly targeted audience.
- › Network with global leaders and domestic manufacturers.
- › Gain insights into market trends and sustainability practices.
- › Meet buyers from automotive, hardware, electronics, furniture, and construction sectors.

Key Focus Areas:

- › Surface Preparation & Pre-Treatment
- › Powder & Liquid Coating Technologies
- › Anti-Corrosion & Protective Coatings
- › Automation, Application, and Robotics
- › Testing, Quality Control & Environmental Systems
- › Electroplating, Anodising, and Polishing Equipment

Exhibitor & Visitor Profiles

Exhibitors Include:

- **Surface Finishing Equipment:** Plating, anodising, blasting, polishing, brushing systems.
- **Coating Systems & Materials:** Powder coatings, liquid coatings, paints, UV coatings.
- **Raw Materials & Chemicals:** Pigments, resins, solvents, additives, fillers.
- **Testing & Inspection:** Instruments for quality control and performance evaluation.
- **Environment & Safety:** Waste-water treatment, air filtration, and eco-friendly solutions.

Ideal for:

Manufacturers, Distributors, Technology Providers, Solution Integrators, and Startups in Surface Engineering.

Visitors Include:

- Automotive & Auto Components
- Electrical & Electronics
