ISTFE 2027

About ISTFE 2027

India Surface Treatment & Finishing Expo (ISTFE) 2027 is India's premier B2B exhibition dedicated to the surface engineering, pre-treatment, coating, and finishing industries.

Held from **07–09 January 2027 at Bharat Mandapam**, this 3-day trade fair will bring together the entire value chain of surface treatment, finishing, painting, coating, and corrosion protection technologies — all under one roof.

Our Vision:

To create a world-class platform that fosters technological exchange, business growth, and sustainable innovations in the Indian surface finishing and coating industry.

www.istfe.com

Why ISTFE 2027?

- › Showcase your latest technology to a highly targeted audience.
- › Network with global leaders and domestic manufacturers.
- › Gain insights into market trends and sustainability practices.
- › Meet buyers from automotive, hardware, electronics, furniture, and construction sectors.

Key Focus Areas:

- › Surface Preparation & Pre-Treatment
- › Powder & Liquid Coating Technologies
- › Anti-Corrosion & Protective Coatings
- › Automation, Application, and Robotics
- › Testing, Quality Control & Environmental Systems
- › Electroplating, Anodising, and Polishing Equipment

Exhibitors Profile

- › **Surface Finishing Equipment:** Plating, anodising, blasting, polishing, brushing systems.
- › **Coating Systems & Materials:** Powder coatings, liquid coatings, paints, UV coatings.
- › **Raw Materials & Chemicals:** Pigments, resins, solvents, additives, fillers.
- › **Testing & Inspection:** Instruments for quality control and performance evaluation.
- › **Environment & Safety:** Waste-water treatment, air filtration, and eco-friendly solutions.

Ideal for:

Manufacturers, Distributors, Technology Providers, Solution Integrators, and Startups in Surface Engineering.

Visitors Profile

- › Automotive & Auto Components
- › Electrical & Electronics
- › Metal Fabrication & Engineering
- › Hardware & Tools
- › Furniture, Appliances, and Construction
- › Defence, Marine, Oil & Gas
- › R&D and Quality Control Laboratories

Visitor Benefits:

- › Discover cutting-edge products and innovations.
- › Network with industry experts and technology partners.
- › Attend knowledge sessions and live demonstrations.
- › Connect with suppliers and explore sourcing opportunities.

Exhibit Space Cost

Shell Space Rate:

INR 16,800/sqm
(Minimum booth: 9 sqm)

Raw Space Rate:

INR 15,750/sqm
(Minimum 18 sqm)

Corner Charges – 10% for 2-side open booths & 15% for 3-side open booths | *GST 18% applicable on above rates

Event Highlights

Global Platform:

150+ exhibitors from India & abroad.

Innovation Pavilion:

Showcasing Startups & green technologies.

Technical Seminars:

Insights on trends, R&D, and sustainability.

Live Demos:

See new technologies in real time.

Networking Lounge:

Business matching and buyer-seller meetings.
